Country blocks

Review and edit the countries where transactions are blocked.

Feature	Current configuration
Enable country blocking To disable all country blocks, please contact our Support team.	Enabled
Blocked by default Some countries are blocked by default by Telesign to help protect your account from security risks. Submit a request to remove a default country block.	Blocked countries US United States IN India RU Russia JP Japan SG Singapore AU Australia AE United Arab Emirates MV Malavsia
Blocked by you Block transactions from specific countries. Add countries to the list and save your changes to stop all transactions from those countries.	Blocked countries Add countries to block list
